The Angels of Wine

Also known as

**The Angels
of
Arator**

Beloved,

**We inspired the miracle of turning water into wine
that Jesus performed
at the wedding feast in Cana.**

**Wine, mead, beer, and liquors are designed by Divine Providence
to put you in a happy mood
and make your life easier,
especially when you are under stress.**

**We are not to be mistaken for fallen-angels of alcohol that control
drunkards.**

**Through clear inner guidance,
high inspiration,
cognition brought about by love
and unity with divine mind,
we protect those who drink alcohol.**

We are the heavenly host of all intoxicating drinks.

**From the prime origin,
we have been teaching mankind
how to make the most diverse kinds of intoxicating drinks.**

**We protect and guide those who use, produce or sell alcoholic drinks
for the highest good of all concerned.**

**We inspire people so that these drinks are used in the spirit
that they were intended to be used,
to bring happiness, relaxation, healing, and gaiety.**

**We give you excellent recipes for the making of these drinks,
as well as how to ameliorate their influences,
so that you can remain sober when need be.**

Our assignment is a happy one.

**In the history of mankind, we have made sure that a good drink of
alcohol
brought moments of joviality and relaxation.**

**Through the divine virtues of our name, Arator, the Children of
Light and flowing divine Love understand how to enjoy and be blessed
in a sacred way by wine
and any of the intoxicating drinks that we inspire.**

**As wisdom reveals the original purity of all ideas in Divine Mind and
inner guidance is attuned to,
gratitude and prayer are offered for all things.**

**Impregnating any alcolholic drink with divine intent
for the highest good of all,
and flowing Divine Love,
transforms it into a sacrament of Divine Joy.**

**Everything in creation is created to be enjoyed
according to divine law and harmony through high inspiration.**

***"For I have not given you the spirit of fear,
but of joy,
and life everlasting."***

**Be assured that all things work for good
when used according to wisdom, inner guidance,
self control, high inspiration,
cognition brought about by love divine, and harmony.**

Divine Intent envisions all of Creation filled with joy.

"All things work for good to those who believe."

**By healing wounded emotions, like fear and doubt,
with validation and empathy for the inner wounded child self within,
and thereby discovering the kingdom of heaven within,
keeping our eye single
on the highest good of all,
the oneness of all,
we guide outcomes that are the highest good of all concerned.**

**When alcoholic drinks are prayerfully blessed
and charged with Divine Love,
people protect themselves from any harmful effects of intoxication
whatsoever
through following inner guidance.**

**The heavenly hosts make sure that these drinks are used in the spirit
that they were intended to be used, to bring happiness, relaxation,
healing, and gaiety.**

The Divine Creator has given all the spirit of peace, and life everlasting,

with many delightful blessings to bring happiness and joy.

*AThe virtue of wisdom and enlightenment, the letter A,
attunes the intellect with the original purity of all ideas.*

*The original intent for alcoholic beverages is to promote gaiety
and happiness when inner guidance so directs.*

*The virtue of wisdom and enlightenment gives eloquence,
artistic talent, musical ability and occult faculties.*

*These are often accessed in the state of ease brought about by alcohol use;
when a person is relaxed, happy, and in attunement with the Divine.*

To safely use alcohol, we inspire a high degree of wisdom and inner guidance.

*Aumlaut A, ae, ...The realization of wishes regarding physical matter is subjected to this
virtue.*

*The sound of this letter, the long A, ae,
in the cosmic language is the virtue of the origin and mystery of life and death
regarding their transformation.*

*By meditating on this virtue, a child of God becomes convinced that in reality death does
not exist,
for the so-called death is only a transformation from one state into another.*

Also will come enlightenment on the cause of this transformation.

*With this comes the ability to master all negative spiritual beings
in all spheres and planes with regard to their scope of action.*

The purpose for which negative beings have been created becomes clear.

*Since, in the original principle all beings are alike,
each having been created by Divine Providence to fulfill a certain
task, there is no dissimulation of negative beings,
for from the enlightened persons point of view everything is pure.*

Here the saying: "to the pure one everything is pure" becomes plain.

*If there were no negative beings, it would be impossible to distinguish between good and
evil;
and if there were no passions, there would also be no virtues.*

*This virtue confirms the words contained in the Bible: "through night to light",
the deep symbolic meaning of which now becomes clear.*

*In the intellect the ability is gained to see through all thoughts, actions and wishes
concerning matter,
and of becoming their absolute master.*

*In the feelings, this virtue represents desires, passions,
and the inclination to self-satisfaction etc.*

*A person who masters this virtue in their feelings
becomes absolute master and ruler of all desires and passions.*

Also, a person is able to not cling to mental, emotional, and material virtues and objects.

This means complete independence and freedom

and fulfills the saying "bind yourself and you will be free".

On the material level this virtue is one of the most materialized.

*No matter whether you evoke it in the mind, the feelings, the akasha, or the material world,
the earth is influenced by it to a larger extent.*

The ability to infuse matter with divine virtues is heightened.

*Through this virtue, a person recognizes when drinking alcohol
is no longer the wisest course of action to take,
and at that point releases the desire to consume more.*

The color of this virtue is loamy brown. The musical note is C. The element is earth so it has the sensation of weight. The anus is formed from this virtue.

*RThe sound of the letter R is the divine virtue of becoming the master and guardian
of freedom and independence.*

*It is this virtue that is used by each child of God
who listens to and follows their own inner voice of guidance.*

*This inner guidance is a person's unmistakable link with the Universal Mind
of Divine Providence that lives and moves in all space and time and beyond.*

*In this state of freedom and independence there is the feeling of freedom
of any pressing burden of the laws, for by the mastery of all the preceding virtues
you have achieved a state of maturity by which this feeling of
independence has been transformed into an absolute state of security and
unimpeachability.*

*This comes from the realization of the harmony and
perfection of all divine laws and the identification and love of them so intensely
that they have actually become merged with oneself.*

*In this case you are the personification and representation of the divine laws and they
will serve you, and your sense of freedom will derive from them rather than in spite of
them.*

*This is a very high state of consciousness, but it is the state that every
human being is destined to accomplish. It is for this reason that your teachers have told
you that
"the truth is written within your heart".*

The color of this virtue is golden; the musical note is C. The element is earth, so it has the sensation of weight. The left side of the nose is formed from it.

AThe virtue of wisdom and enlightenment.

*Umlaut A, aeThe virtue of the mysteries of life and death and
transformation through release of imperfection to Divine Being for change into another*

*state
that is the highest good of all concerned.*

*The virtue of high inspiration and divine intuition, the letter T,
awakens remarkable attunement to Divine inventive faculties in the
atmosphere of gaiety and happiness brought about by the right use of intoxication.*

O Umlaut O, eu,

*Akasha: In the principle of consciousness penetrating all, the umlaut
O oscillation evokes the most profound cognition which can only be brought about by love
divine.*

*By the help of this a person gets to know all the possibilities of
transformation of the spirit, all the systems and ways serving this end,
and all knowledge concerning transformation in all other fields.*

*He/she is informed about everything that, deriving from the act of creation,
had to pass through all the mode of transformation to be reunited.*

**Music in the soul can be
heard by the universe.**

~Lao Tzu

*A person must attain all the faculties that are offered by this
profound cognition made possible by Love Divine, in the principle of consciousness-
penetrating-all,
and must make use of all possibilities,
in order to get convinced that they cannot be described by words, by must be experienced,
lived through.*

*I have mentioned the letters umlaut A and umlaut O as the last ones in this series of
exercises,
because by the help of their virtues one is
able to comprehend, from the principle of consciousness-penetrating-all,
the crown of all wisdom in the micro- and macrocosms,
from the act of creation to the present state of evolution, and even to the final
development.*

*Mental: Evoked in the intellect, the virtue of profound cognition brought about by love
divine
gives the understanding of the transformation of ideas, virtues, etc.
by the quabbalistically pronounced word,
which is a very great and comprehensive field.*

*Astral/ emotional level: In the feelings, the virtue of profound
cognition brought about by love divine develops the faculty of perfect astral projection
and the mastery of all occult and magical phenomena
that have reference to transformation, so that a person may, for instance,
assume any desired vibration in the emotional body without
being recognized by other beings and with only Divine Providence seeing through him/her.*

*Apart from this, a person is able to transform any emotional oscillation into the oscillation
he wants
and to do the same with any element.*

*Material: When mastered in the physical body, the profound cognition
brought about by love divine leads to perfect knowledge of quabbalistic alchemy in the
material world.*

*A person is taught the true preparation and charging of the philosophers stone in the
physical sense.*

He/she can influence, at will, any oscillation atomic, oscillation, electronic oscillation- by

quabbalah, and he/she is able to transform it into the oscillation desired by him/her.

Therefore he/she perfectly masters the laws of transmutation and is able to transform any metal into gold, any stone into a precious stone, etc. if desired.

By the help of this virtue a person is furnished with many other faculties of which he/she cannot even dream now and which non-initiates would regard as absolutely impossible.

This virtue is used to transmute alcoholic beverages into their purest divine expression.

Umlaut O is dark orange, has the musical note of D-sharp, is the element of akashic-earth which has the sensation of weight penetrating everything.

The ovaries and testicles are formed from this virtue of the profound cognition brought about by Love Divine. In healing, heal the left ovary first and then the right one.

The virtue of freedom and independence is enhanced through the relaxing effects of alcoholic drinks when a person detaches from worldly concerns.

Deep inside, all of the Children of Light produce the Delta brainwave pattern of pure being and unity with Divine Being and all creation.

Deep inside, all people have divine infant selves eternally one with and sustained by Divine Love.

This self, when enlivened in meditation along with the child self,

causes the body to retain the appearance of youth and vitality for as long as incarnation is desired.

This self is connected to omnipotence, omnipresence, omniscience, Divine Love, and all the divine virtues taken together.

These qualities, especially love, are pouring through the immaculate heart of each person and sustains life.

The relaxing effects of alcoholic drinks, used for the highest good, helps people detach from worldly concerns to experience deeper connections with indwelling divine truth.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters

are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others. Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

Love brings miracles of happiness.

The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.
THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.
When one is helped, all are helped.

Therefore, in the name of who I AM,
and I am one with all there is;

I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .

I give thanks that this is done.

SO BE IT!

So it is.
