A new moon is always a new beginning.

*This new beginning ushers us all to let go of old forms of desires, thoughts,
feelings and situations*

*and transmute them into the highest good of all concerned,
and approach all with divine nurturance.*

The north node, the direction of the chart, is

12 degrees Cancer

The Angels
of
Transmutation

Also known as

The Angels
of
Tmako

Beloved,

Each child of Divine Being uses transmuted magnetic emotional power
to attract and manifest
a just and perfect outcome for all concerned.

Among other things, we reveal to each child of God
the EMOTIONAL NATURES
of plants, minerals,
and animals.

The human body is "*made in the image and likeness of God.*"

God is omnipresent, and by looking at the outer created worlds,
we understand the inner created worlds of our own beings.

Our bodies have minerals, plants, and animals too.

We help people realize the emotional natures of the body's minerals,
mitochondria,
and intestinal flora etc.

We inspire the transmutation of these emotions of plants, animals, and
minerals,
in both the inner and outer worlds,
into higher vibrations.

This is necessary because flowing emotions are magnetic and attract changes
in material forms.

Emotions going through change,
in turn change material reality on all levels,
and this is true from the densest level of earth to the more subtle levels
of the astral, mental and spiritual planes.
"As above, so below."

The evolution of creation is toward ever greater spiritual majesty and
perfection,
so the ability to transmute emotional energy into highest divine
love, faith, happiness, and wisdom is most necessary.

This transmutation of emotions is our province
as we guide the created worlds
into expressions of the original purity of all ideas in Divine Mind.

Remember, all thirty degrees of the sign of Cancer are gateways of flowing
with
powerful divine emotions of faith and attunement to
OMNIPOTENT FEELINGS OF DIVINE WILL
for the highest good of all concerned
in each and every situation and being.

Here, at the 12th degree of Cancer, feelings of Faith and Omnipotence are
used to
transmute emotional vibrations.

Everything that exists in material form does so by the magnetic powers
of corresponding emotional flowing on the astral plane.

**Change the emotions and change the form.
Miracles of healing occur this way.**

*The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.*

THE LAW OF

ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

and I am one with all there is;

***I ask that THE HIGHEST GOOD OF
ALL happen.***

***I give thanks that this is done.
SO BE IT!***

POWER OF HERE & NOW

Because this new moon beginning has a north node in the sign of Cancer,

we realize that we have the ability,

as divine beings,

to materialize or dematerialize current realities whenever necessary,

to nurture the precious creation of Earth and all who are influenced by it.

We are entering the ancient future, the time of flowering,

"on earth as it is in heaven".

The 28 Angels of the Moon Sphere

Divine Emotional Magnetic Rhythm

***'The Moon in its planetary function
influences everything liquid on our earth.***

The Moon sphere is analogous to flowing emotions and feelings.

***The emotional awareness of each child of God,
is known in ancient terms as the astral body.***

**Emotions of happiness are necessary for all timelines to manifest divine harmony in
the quantum field.**

**Healing of the Divine Feminine, the awesome realm of flowing emotions and magnetism,
the water element, is necessary for Heaven to manifest on Earth.**

The healing of emotional flowing of each child of God on Earth is therefore of major importance.

**The Angels of the Moon Sphere
are commissioned with great responsibility in this regard.**

Angels of the Moon work with mankind in the realm of flowing emotions,
in contrast to the Angels of the 360 degrees of the zodiac
surrounding the Earth who work with the children of God in the realm of vitality.

There are 28 angel groups, one for each day of the moon cycle.

New Moon 1st Day of Lunar Cycle

Beloved,

We inspire perfect use of OMNIPOTENT SACRED WILL
FOR THE HIGHEST GOOD OF ALL
and SACRED FLOWING EMOTIONS
in the meditation of the divine virtues so that all things are
possible.

We have been given the responsibility by Divine Providence to control not only the tides of earth,
but also the tides of water in the bodies of all living things.
These tides correspond to flowing emotions of omnipresent,
omnipotent, and omniscient Divine Love and Life.

*When the children of God call on us for our help,
we teach them how to use omnipotent
will and intent for the highest good of all in combination
with strong flowing emotions of unconditional Divine Love
to heal the emotional reality of Earth.*

In this way we teach how to control the physical reality of Earth,
because the physical reality of each person,
and of the Earth as a whole,
is determined by flowing emotions.

Just as we control the tides of earth,
we teach the children of God to attune themselves emotionally to the rhythms of Divine Life,
so that they may flow with the sea of unconditional all encompassing Love,
that ebbs and flows with the expression of polarity in Universal Consciousness.

*We particularly attune the child of God to the use of the Sacred Dream,
the blueprint for perfection on the Earth
This blueprint is the Prime Will for the highest good of all for Earth.*

This is the Prime Will for bringing about a perfect kingdom,
a home of pristine beauty and harmony for all living creatures.

Miracles are created by combining OMNIPOTENT WILL FOR THE HIGHEST GOOD of the Earth,
the electric-masculine power,
with the FLOWING EMOTIONS of unconditional love and flowing feelings of the Sacred Dream of the Moon,
the magnetic-feminine power.

Just like the miracles of the tides, FLOWING EMOTIONS of the Sacred Dream and Divine Love of the Moon,
manifest perfect power,

rhythm, harmony, and cycles of flow in the emotional life
for all the children of God and for all sentient creatures.

*By studying the tides, and flowing with emotions of their healing effects,
perfect understanding of this is attained.*

By studying the scientific effects of the tides,
the influence of a rhythmic emotional life on the well being of the physical bodies
of the children of God and on the creatures of the world is understood.

Attune to the divine virtues represented by the letters of our name,

and call on our help to receive the following:

*FOR THE HIGHEST GOOD OF ALL and SACRED FLOWING EMOTIONS
in the meditation of the divine virtues so that all things are possible.*

On the first day of every 28-Day Moon Cycle we flood the Earth with deep rhythmic flowing emotions that control the tides,
so that all life may attune to the rhythms of the Heart Divine that pulsates throughout the Web of Life.

"All that I do ye shall do and more."
