

# Hermetic Angel Messages

PDF version

**Today the sun is in the 7th degree of Scorpio,  
which was sent yesterday.**

**Tomorrow Mercury stations retrograde at 28 Scorpio,  
the Heavenly Hosts of Hydrotherapy,**

**which I will send next.**

**Mercury represents how we communicate,  
within ourselves to ourselves,  
and to others in the outer world.**

**When Mercury is retrograde,  
our attention is focused on what we are telling ourselves,  
what we believe,  
how we think.**

**It is time to go within,  
and focus on what is working well and creating happiness,  
and what is not.**

**We learn to gratefully allow imperfect old desires, thoughts, feelings and  
realities to transform.**

*oil on linen*

**The Moon Angels of Happiness**  
**Angels of *E-Z-H-E-S-E-K-I-S***  
**3rd Day of Lunar Cycle**

**Beloved,**

**Emotions attract corresponding realities  
out of the quantum fields of infinite possibility.**

**Emotions, therefore, are magnetic,**

**and are the organizing principle behind divine gravity.**

**It is written in the Declaration of Independence**

**that all have the right to "Life, Liberty, and the pursuit of happiness."**

***It also is written in scriptures that:  
"I have not given you the spirit of fear, but of joy, and***

*life everlasting."*

*Happiness, a specific frequency of magnetic emotion,  
is the secret behind cohesion.*

#### The Bear Essentials Code

*Be who you are and know yourself.  
Pretenders are not real.  
Say what you mean and don't hold back.  
Express the way you feel.*

*When you know yourself you can't be lost  
And your life will take you far.  
The key is being TRUE TO YOU  
And remembering who you are.*

*Respect all life, it's here for you  
And trust your heart to guide.  
Know love surrounds you every day.  
It never leaves your side.*

*Be still and quiet, you're not alone  
And in your stillness hear  
The whispers of a wise, sweet voice  
Who cares for you, my dear.*

*Please, laugh and sing out every day.  
Your joy expressed in sound  
Can fill the hearts of those you love.  
They're blessed when you're around.*

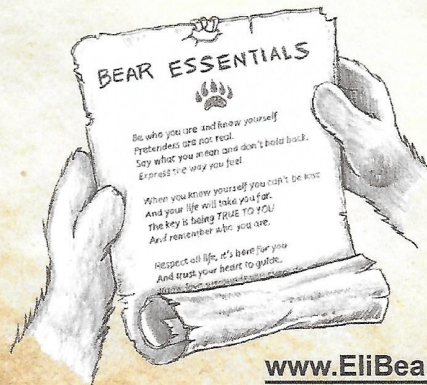

*Remember, every word and thought  
Creates the world you'll see.  
And say 'I Love You' every day....  
And say it joyfully!*

*Remember, you are special child  
And have a precious gift,  
And when you bring your gift to serve  
The hearts you touch will lift.*

*There's no one else like you, my child,  
You are stardust made from love.  
Appreciate the life you have  
And thank your stars above.*

*I promise you can change the world.  
Allow your feelings to be felt.  
And trust the wisdom of your heart  
To let you be yourself.*

*One final message for your heart,  
Its power will ring true:  
I believe in you with all my heart  
Now, YOU believe in YOU!*

**Instead of fearing, judging, resisting, denying, acting out, or fighting anything  
on any level,  
we inspire remembering unity and giving thanks with divine love for all.**

***"Give thanks for all things, for that is my will concerning you.  
All things work for good to them that believe."***

**For this reason, we instruct the children of God to powerfully flow with  
happy emotions and tangible feelings  
of indwelling divine consciousness  
in all things.**

**In this way, it is possible to give thanks for all things physical, emotional, mental,  
or spiritual,  
in self or in others,  
and then  
ask that only the highest good of all concerned happen.  
In this way unhappiness is transformed into happiness.**

**Our purpose as incarnations of divine being is to take care of the Garden of  
Eden,**

**which was never lost, only hidden behind illusions of imperfection.  
Love combined with gratitude begins miracles of healing and transformation and  
transmutation.**

**We inspire the children of divine being to BLESS,  
by sharing the Law of One, all things.**

***"Ask and it shall be given unto you."***

***"Seek and ye shall find."***

***"Knock, and it shall be opened unto you."***

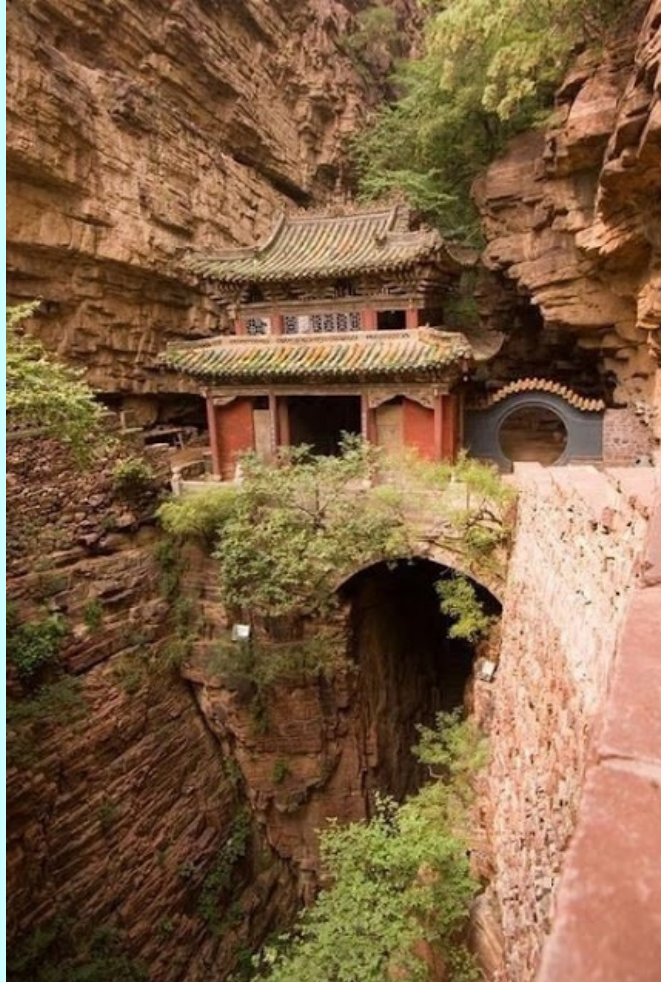

**We awaken awareness  
TO ASK FOR DIVINE SUPREME HAPPINESS FOR ALL...  
THAT IS THE HIGHEST GOOD OF ALL.**

***Remember it was written, "All that I do, ye shall do and more."***

**We heighten attunement to the desire of Divine Providence  
for Heaven on Earth to manifest in and for all created beings.**

**We inspire attunement to omnipotent all pervasive Divine will for the highest good of all.**

**We align the flowing feelings and emotions of each child of God with the flowing feelings of love, will, and wisdom of Divine Consciousness Itself.**

**We heighten in each moment, with each situation,  
intuitive cognition and flowing feelings that attract happiness  
in every situation for every being involved.**

**By meditating on the divine virtues associated with the letters of  
our name, and calling on our help, the following is realized:**

***E-Z-H-E-S-E-K-I-S***

***E***

***The consciousness of God is in everything that has ever been created.***

-----

***Z***

***The highest form of intuition and intellectual cognition flows from this consciousness that is already present in everything.***

-----

***H***

***We confer the highest clairvoyance in understanding the work of Divine Providence in everything.***

-----

***E***

***We confer the highest form of intuition in which there is no consciousness of time and space.***

-----

***S***

***We inspire the children of God to maintain unbroken and steady focus on flowing feelings that correspond to the object of their will, the will that has been inspired by Divine Providence.***

-----

***E***

***We confer such intense flowing feelings of this divinely inspired will, that all beings, including animals, are controlled by it.***

-----

***K***

*These flowing feelings are so powerful and at one with the divine virtues,  
that a child of God literally becomes one with God in flowing feeling.*

-----

*I*

*Perfect mastery of cause and effect is thus obtained over everything  
in the physical world, through the understanding of analogy, the  
"as above, so below".*

-----

*S*

*Power over the consciousness of all beings  
is perfected for the highest good of all concerned.*

-----

**On the 3rd day of each 28-Day Moon Cycle we flood the Earth**

**with flowing tangible feelings in the body  
of happiness and joy.**

**During this time of healing emotions so that Heaven can  
manifest on Earth, we are working powerfully with each child of God to flow  
with feelings of the indwelling perfection of every being ever created.**

**At the same time, we are enabling each one to flow with feelings of the all  
powerful will of Divine Providence for all beings to be happy and successful.  
These flowing feelings create the magnetic energy required to  
attract the perfect outcome in every situation.**
