The Angels of Health

Also known as

The Angels of

Armillee

Beloved,

***Each cell is keenly sensitive,
and reacts to every desire, thought, emotion
and sensation.***

***Scientist have discovered that over a hundred thousand
chemical changes
occur in the body within one minute after having a
thought.***

Each change emits a flash of light.

***We inspire flashes of highest light loving and blessing
all in creation.***

***As a person is enlightened
flowing with beautiful emotions,***

**and follows inner guidance,
the physical body demonstrates miraculous vitality,
youth and immortality.**

We safeguard the health of mankind.

**We are the angels who protect people against all infectious diseases
and cause them to look after themselves,
so that they are at any time able to resist infection.**

**If karmic reasons make it necessary, or if it lies in ones fate, we will
not prevent an infection.**

***We also teach you many means of protection
against the most diverse types of infectious diseases
from a psychosomatic point of view.***

**Since there exists the possibility of mental or emotional influences,
that are the psychosomatic causes of infection,
we teach you how to protect yourself
by taking care of your mental and emotional health.**

***Sometimes we do this through intuition
or by guiding you to the best teachers and information.***

**The intelligence and wisdom of the body
is one with the original purity of all ideas in Divine Mind,
which is the divine virtue of letter A of our name Armillee.**

**As the original divine blueprints are understood through wisdom
and enlightenment,
imperfections in being, will, thought, emotions and
sensation are released back to Divine Being for changes into other
states
that are the highest good of all concerned.**

**Following inner guidance is the divine virtue of letter R, the next
letter of our name.**

**As inner guidance is followed, with strong emotions flowing in a
state of love,
the body is designed to manifest perfect physical conditions.**

***Remember that flowing emotions are magnetic, emotions generate
an attractive power
that determines which realities of all possible realities are attracted
into form.***

Strong flowing emotions of divine states are the virtue of letter M.

A person uses the virtue of Cause and Effect to remember and

awaken strong conscience
for creating heavenly states in the physical body and in the world in
general.

The mastery of Cause and Effect is the divine virtue of I.

Vitality, youth and immortality are the result of the divine virtue of
the next two letters of our name, L,
which are the sum of all the divine virtues taken together,
the splendor and majesty of Divine Being.

*These divine qualities, taken together,
cause youthening, vitality, and even immortality.*

They also awaken true spiritual morality.

Remember that the body, like everything else in creation,
is filled with the omnipresent Divine Being,
which is the virtue of the last two letters of E in our name Armillee.

Ye must be as little children to enter the Kingdom of God.

*Strong feelings of the splendor and majesty
of Divine Consciousness and love
are needed for cells to thrive and to have the desire to
live.*

Cells are influenced strongly in the Theta brainwave state of deep
inner thought.

Theta brainwaves are dominant in childhood.

We help people heal any wounded emotions that occurred in
childhood,
so that the normal inner childlike state of wonder, trust,
and innocence is accessible in meditation on a daily basis.

If cells are receiving positive influences from the will, the mind, the

emotions, and the senses then the immune system is strong and often literally impervious to infection and disease.

The powers of the body to resist infection and to heal itself are much stronger than is generally suspected.

In fact, the power of the body to protect and heal itself is miraculous, when properly mastered through the divine virtues of Armillee.

In cases of spontaneous remission of otherwise incurable diseases, it is often a matter of a sudden reversal from negative to positive information and input to the cells of the body within the continuum of energy that is known as will, thought, emotion, and matter.

Even at the last minute, the body can bring about health and youthening when the proper signal is given.

Feelings are compressed information.

Negative emotions and thoughts send signals to the millions of cells of the body that all is not well.

These cells respond with despair that causes them to cancel out or forget healthy chemical reactions in their defense systems.

If a person does not feel love and wishes to die, even unconsciously, cells obediently respond by shutting down.

Divine Consciousness is omnipresent in all life.

Negative feelings can be healed with empathy and unconditional love and become positive once again.

We inspire people to ask negative feelings what lessons they are attempting to impart.

By doing this, great wisdom is gained, and gratitude for these feelings and for the situations causing them grows.

Give thanks for all things, for that is My will concerning you.

Feelings are the change process.

**By embracing all feelings with unconditional love and willingness to
learn from them,
they change into ever more beautiful feelings.**

**Call upon the angels of Armillee to access and download virtues of
positive life energies
from original Divine Consciousness.**

**Prayer is the process of sending information
to Omnipresent Mind and meditation is receiving.**

**Whole brain awareness of divine qualities creates new states of
being.**

This is the 242nd degree of the zodiac.

$$2+4+2= 8.$$

**NUMBER EIGHT is the number of the mind, the intellect, and thus
the number of knowledge.**

It is analogous to the planet Mercury.

**The octagon is a symbol of the Native American Medicine wheel in
all of its forms.**

All knowledge, actual or theoretical, is a part of the eight vibration.

A-R-M-I-L-L-E-E

**A This letter represents the Divine Virtue of Wisdom and complete
enlightenment.**

**This sound [a soft a like a sighahhhhh] and virtue is an initiation
into the highest wisdom
and the purity of all ideas in existence.**

This has as a fundamental feature the enlightened mind.

**Reasoning, perception, the cognition of the most profound truths,
highest knowledge, high intelligence, and the arousing of all
intellectual faculties are expressed.**

**Musical gifts, eloquence, poetic talent, and clairvoyance,
clairaudience, the art of levitation, and the
control of the air element and its beings are all aroused by this
initiation.**

**The color of wisdom and enlightenment is light blue, the musical
note
is G, the element is air so it has the sensation of ease, and the lungs**

are formed from it.

Umlaut A, aethe virtue of life and death and transformation.

A person releases imperfections on every level back to Divine Being for change into another state that is the highest good of all concerned.

R This is the sound of the divine virtue of INDEPENDENCE AND FREEDOM. It is the virtue of following inner guidance and being in tune with Divine Providence.

Those who study the divine virtues in the order of the alphabet reach a state of complete oneness with Divine Providence so that by the time they reach the letter R, they have achieved a state of maturity by which your feeling of independence has been transformed into an absolute state of security and unimpeachability.

I and the Father are One.

All that I do, ye shall do and more.

Mentally, you will have an eminent mind and the feeling of freedom of will and action.

Not only this, but also the state of maturity in which you will never violate a law, having yourself become a master of all laws.

In spite of your freedom of will, you will find yourself willing to subject yourself freely to Divine Providence, and accept missions to serve Divine Providence with deep humility, immense gratitude and the highest devotion without losing your feeling of absolute freedom of will in any way.

Such great ingenuity will proceed from this that you will be able to comprehend any knowledge quickly and without difficulty.

The color of this virtue is gold, the musical note is C, the element is earth so it is felt with a sensation of weight, and the left side of the nose is formed from it.

M The letter M is the sound of the divine virtue of emotions.

Emotions are the magnetic power that attracts energy into form on the material plane.

Everything in nature is formed through the magnetic power of emotions.

Water is the physical manifestation of feelings.

The human body is predominantly water.

Positive life-affirming emotions attract life into the entire body.

The color of this virtue is the most beautiful blue-green imaginable. The musical note is D. The element is water so it has the sensation of coolness.

The abdomen is formed from this virtue.

I The sound of this letter is the virtue of cause and effect, which is the karma law.

On the mental level, this is analogous to memory, remembrance and conscience.

In the emotions, this corresponds to the astral matrix with all of its functions.

The astral matrix is the connecting link between the physical body and the emotions.

**Therefore,
the mastery of the virtue of cause and effect
controls the connection between the body and the soul.**

**It is a known fact that the astral matrix,
and with it the whole body, is kept alive by breathing.**

**With the initiation into karma law, which is
the knowledge of cause and effect,
you are in the position to get under your perfect control the breath
with all of its aspects and ways of application.**

Mystical abilities are subject to the mastery of breath.

**On the material world, everything that has shape, measure, number
and weight
can be understood and mastered with this virtue.**

**The color of this virtue is light opal, the musical note is G, the
element is earth so it has the sensation of weight,
and the left kidney is created by this oscillation.**

**L This letter represents the highest divine virtues that may be
described by words,
irrespective of whatever sort they may be.**

**This letter oscillation is used to comprehend
the Divine Majesty and the greatness of God
in the form of the purest virtues.**

**From this comes the faculty of comprehending true morality
as seen from the highest point of view.**

This will lead you to the borders of saintliness.

**On the emotional level true equilibrium of character occurs and
mastery
of flooding the emotions with the highest light is attained.**

**On the physical level you will gain perfect health, beauty and
harmony
and you will become absolute master of your own vitality.**

**It is to be imagined as the color of olive green. The musical note is
F; the element is air, so it has the sensation of ease.
The spleen is formed from this virtue.**

***LSo great is the effect of the splendor and majesty of
The Divine
Virtues on physical health, beauty, and vitality, that
meditating
and becoming one with this is necessary in order to
attract the original
perfection that was spoken of in the saying,
The children of God are made in the image and likeness
of God.***

**E This sound of this letter in the ancient language is the divine
virtue of omnipresence.**

**Divine Consciousness is omnipresent in all time and space, even in
the smallest atom.**

**By meditating on this virtue, a person attains a state of cosmic
consciousness.**

In the intellect it arouses the highest form of intuition.

**In the emotions, this virtue gives control over the emotions of
oneself and others,
and the ability to understand the language of all beings, including
animals.**

**We teach how to understand the languages and communication of
all levels of beings on earth.**

***Any being that is causing health problems can be
controlled by this virtue.***

**The letter E has the musical note of D, is of the dark violet color,
and is meditated on with the feeling of God-penetrating-all.**

EThe virtue of the omnipresence of Divine Being is basic to creating perfect health in the physical form by meditating on it and calling forth this innate intelligence in every cell.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings

which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth,

**and the angels who work with him or her.
The being and the angels share the same name.**

**This name is a key to their powers and influence.
Names, phrases, and sections, in the angel messages
are quoted or paraphrased from the books of Franz Bardon.

**and who wishes to facilitate a trauma clearing. This information on healing a trauma permanently in one session, with no recurring flashbacks or nightmares,
has been carefully researched over many years in clinical settings by licensed psychologists when treating veterans with PTSD.**

It was formulated as an amalgam from many successful therapeutic models at the PTSD clinic at the VA Medical Center in Tuskegee Alabama in the '90's by Dr. Paul Michael Schlosser, PhD.

The two free one hour and approx. 20 minute DVDs, done in 3D, that explain how to use the trauma healing form are important.

You may download or view these, including the emotional trauma healing form, at www.spiritussanctus.com .

[There are also other free emotional healing handouts here you can download and print to help you understand emotional trauma healing.]

The trauma healing form is to be used to facilitate healing a current or past emotional trauma permanently in one session.

It contains 23 steps that a traumatized person is led through by a facilitator in approximately one to three hours to permanently heal a traumatic incident

with no recurring flashbacks or nightmares. The trauma clearing form itself and the dvd's explain each step of this form.

THE LAW OF ONE

**We are all one. When one is harmed, all are harmed.
When one is helped, all are helped.
Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.**

Messages of Love

Only as something is loved is it free to change into something else.

Beloved ones, I want you to take these words and write them on your wall in big letters because so often this is the way that the mind hooks you into its domain – by continuing to show you all the things you resist, which keeps them alive, of course.
