Beloved,

*“GOD IS LOVE”.*

Whenever someone desires or needs the help and assistance of another  
person,  
we delicately attune emotions,  
so that even the hardest of hearts melt,  
and assistance is offered.

Divine Providence has given us the responsibility to strengthen the love-  
will,  
electro- magnetic,  
bonds between the children of God,  
and all beings,  
so that harmonious co-operation flows and beautiful patterns form.

**The billions of suns that shine at night in the sky  
remind us of the infinite power of Love that radiates in us.**

**Behind the appearance of the many is the ONE,  
which is the unified field of energy which is the web of life, the body of  
Divine Consciousness.**

**Will for the highest good of all,  
and Love,  
together  
are a divine electro-magnetic sustaining life  
force between the unified field and the individual.**

**We bring forth beautiful emotions that allow the children of God to  
change any situation into one of healing and enlightenment.**

**With our help, the most hardened criminals, the most cruel tyrants,  
remember and feel the spark of childhood innocence and  
love  
of indwelling Divine essence,  
that burns within their hearts and keeps them alive with each breath.**

**With this remembrance comes the opening of the gates of compassion**

and  
oneness, and the restoration of harmony and love.

As individuals grow strings of love and harmonious will with other  
individuals,  
energy manifests in perfect symmetrical designs within the web of life.

This is the source of mandala -like patterns, such as found in  
snowflakes, that reflect the perfection of Divine Consciousness.

Divine Will for the highest good of all creates flowing tangible emotions  
of love and  
harmony that attract into form these beautiful patterns.

These patterns create vortexes of magnetism, which attract abundant  
life.

"Every moment of your life is infinitely creative  
and the universe is endlessly bountiful. Just put  
forth a clear enough request, and everything  
your heart desires must come to you."

-Mahatma Gandhi

On the 5th day of each 28-Day Moon Cycle we flood the earth  
with feelings of sympathy and assistance, so that all beings may be  
blessed and live in joy, and heaven manifest on earth.

traditional person,

A black and white portrait of Albert Einstein, showing his head and shoulders. He has his characteristic wild hair and a mustache. The image is partially obscured by text on the left side.

"Everything is energy and that's all there is to it. Match the frequency of the reality you want and you cannot help but get that reality. It can be no other way. This is not philosophy. This is physics."  
– Albert Einstein

## THE VELVETEEN RABBIT

---

He said, "You become. It takes a long time. That's why it doesn't happen often to people who break easily, or have sharp edges, or who have to be carefully kept. Generally, by the time you are Real, most of your hair has been loved off, and your eyes drop out and you get loose in the joints and very shabby. But these things don't matter at all, because once you are Real you can't be ugly, except to people who don't understand."
