15 degrees Scorpio

## **The Angels of *Entertainment***

Also known as

The Angels of  
**Hipolopos**

Beloved,

*The fifteenth degrees of each sign  
are the perfect middle path of the 30 degrees of the constellation,  
and are balanced doorways of great sacredness and opportunity.*

*Entertainment captivates the attention and the imagination,  
with powerful corresponding emotional states.*

*Emotions govern the quantum field,  
and determine which realities manifest out of infinite possible realities.*

*Because of it's mystical affects on the emotions,  
entertainment is very powerful,  
and therefore,  
must be used for the highest good of all concerned.*

*Experiencing deep togetherness, joy, love,  
the splendor and majesty of divine being,  
and the highest good of all,  
through sacred entertainment:  
this is the purest essence of Scorpio.*

*The magical powers of deep cosmic love  
to create new realities that reflect heaven on earth is well known.*

*Divine Entertainment allows the imagination and emotions to rejoice,  
to relax,  
to see through the eyes of love,  
and is one with divine will for the highest good of all.*

*Divine entertainment has the power  
to activate all of divine states of awareness.*

*Entertainment is meditation,  
and therefore is an effective way for love to conquer all.*

*Remember that the sign of Scorpio  
is one of the four living creatures before the throne of God,  
it is the sign of fixed deep instinctual flowing emotions of divine love.*

*The other three creatures are Leo, which is divine will, Aquarius, which  
is divine mind attuned to divine will, and Taurus, which is the  
physical manifestation of divine love.*

*Leo is will, which is fire,  
Aquarius is mind which is air,  
Scorpio is emotion which is water,  
and Taurus is the five senses, memory and logic which is earth.  
Divine entertainment is the middle path of Scorpio,  
of love,  
that attracts beautiful deep shared emotions,  
which in turn attract new happy realities  
in the physical world through the principle of magnetism.*

*When people come together for purposes of divine entertainment,  
we bless them with downpourings of divine loving spiritual fantasy,  
fair play,  
challenge,  
and uplifting sociable interactions.*

*This degree of Scorpio contains keys to true renewal  
and deep healing  
through symbolic and creative experiences.*

*On earth as it is in heaven.*

*Original Divine Will for all created worlds out pictures vibrations of joy.*

*"For I have not given you the spirit of fear,  
but of joy and life everlasting."*

*We are the heavenly host who inspire mankind with all sorts of games  
for young and old, jokes, sport events, and toys for children.*

*We create an atmosphere for fun, relaxation, and recreation.*

*As people see through the eyes of love, with divine justice and harmony, and have fun, these magical energies attract vitality on paths to Spiritual Perfection.*

People learn lessons of fair play, harmony, justice, endurance, self-discipline, excellence, imagination, fantasy, self-worth, love, joy, and mastery through divine entertainment of all kinds.

*On higher levels even the most supreme mastery can be obtained with the spirit of play and enjoyment.*

The heavenly hosts of Hipolopos inspire the pursuit of excellence and harmony through the spirit of fun and adventure.

With divine inspiration, this can be done in everything from football to chess, from pre-school sandbox to the Olympics, from the most simple games of fair play to delightful entertainments that are part of the most ancient and esoteric schools of wisdom.

*Ye must be as little children to enter the kingdom of heaven.*

*Functioning from a whole-brain perspective, which is pure being, deep inner visualization and thought, emotion and the change process, and logic, memory and the five senses, is the goal.*

*This combines fun, harmony, mastery, spiritual perfection, and excitement.*

*We inspire and protect children at play, whether they be young or old.*

*As heaven manifests fully on earth, loving entertainment and fun blesses all.*

*This is the 249th group of the heavenly hosts.*

$$2+4+9= 15.$$

$$1+5=6.$$

*NUMBER SIX represents the macrocosm in its perfection.*

*It is represented by an equilateral hexagram.*

*This is the number of man when he finally reaches that state of enlightenment in which he is one with God.*

*Jesus referred to this number when he said, "I and the Father are One."*

*The lower triangle of the hexagram denotes, in the mystical sense, man with his three dimensional aspect of body, soul and spirit.*

*The upper triangle of the hexagram points to the three-dimensional unification and influence of divine power and virtues in the mental, feeling, and physical worlds.*

*Number six represents the sun and all spherical miracles.*

## **H-I-P-O-L-O-P-O-S**

*H This letter is The Power of the Word.*

*In fourfold whole brain thinking, meditate and experience pure being and unity with Divine Being and all Creation.*

*This engages the Delta brainwave state that is dominant in infancy and deep dreamless sleep.*

*Ask your cellular memory to let you experience this state*

*..Then locate self in time and space by visualizing self as a tiny dot in the solar plexus of the body with the body being a vast creation all around.*

*Still in a Delta state, the WILL of a divine virtue is experienced in the state of pure being.*

*The CONCEPT AND MEANING of a divine virtue is contemplated in deep inward thought of Theta brainwaves.*

*To achieve the Theta state, deep relaxation and ease are necessary.*

*Theta is dominant in childhood, so remember yourself at that age.*

*Then flowing emotions of a divine virtue are experienced in Alpha brainwaves.*

*SENSATIONS of a virtues element is meditated on, activating the five senses, memory, and logic of Beta brainwaves.*

*Through the use of breath, in which these energies are breathed out and in through the pores of the skin, first filling the entire body and especially the organ that is associated with each virtue, and then out in the same way, filling whatever inner guidance directs, up to and including the whole universe; the highest alchemy can be achieved in the way that was intended in the beginning when mankind was created.*

*It is important to keep the breathing rhythms natural, to protect the lungs, and to dissolve the lights in the body when finished to keep the elements of the body in balance.*
