The Angels of Evocation

Also known as

The Angels of

Golog

Beloved,

**We are very important angels to you,
and we perform a very specific function.**

**In addition to connecting with the heavenly hosts,
we help you enter into deep meditative states in which you
experience oneness with Divine Being itself.**

**Ask for our help in learning to access the unlimited legions of
heavenly hosts,
who serve the Most High,
and the Highest Good of All Concerned.**

When there seems to be no available help in the outer world,
remember that the heavenly hosts
along with Omnipotent, omnipresent, and omniscient Divine Being,
can accomplish ANYTHING,

which is one reason why it was written,

All things are possible to them that believe.

This was one of the reasons ancient scriptures have said over and over,

Ask, and ye shall receive.

Knock, and it shall be opened to you.

Seek and ye shall find.

Enlightenment reveals the truth that all beings of creation,
both inner and outer,
were designed to work together CONSCIOUSLY
for the Highest Good of All Concerned.

In the cycles and rhythms of life,
it is now time
for the web of life to mirror the perfect intentions of Divine Being.

On Earth as it is in Heaven.

Therefore it is of greatest importance and benefit
that each of you become aware of **VERTICAL NETWORKING**.

You already use **HORIZONTAL NETWORKING**,
here on the physical plane,
such as in use of the internet,
the phone, or any form of spoken or written word,
with others in embodiment.

There are heavenly hosts for every conceivable issue or situation,
and by calling on them for help,
wisely use the Power of Dominion to administer Heaven on Earth.

Just as there are different ways to connect with physical beings in
your world,
so are there different ways to connect with beings of the heavenly
worlds.

The temple of the heart contains within it all creation and all time
and space.

The heart is the first organ to develop in the womb,
the brain develops as an extension of it.

The heart has a tube torus energy field
over five thousand times stronger than the brain.

When the heart is flowing, with cooperation from the brain,
love, joined by faith and wisdom, conquers all.

Enter into this inner sanctuary,
take any situation and call on help,
while visualizing and feeling the desired outcome of the highest
good of all
happening NOW.

Asking the heavenly hosts to accompany you
is vertical networking.

When you desire to connect with spiritual beings,
remember that we are excellent teachers into the mysteries of this
art.

It is through both vertical and horizontal networking
that Grace and Mercy manifest in sufficient ways
to overcome all that has gone before,
bringing forth the splendor and majesty of Divine Being,
into the wills, minds, emotions, and bodies of all beings in creation.

We help you remember to call for help from angels, Christ, the most
high divine being,
your guides, teachers, avatars,
spirit healers, masters, saints, elemental beings, and prophets,
and all realized beings
who are truly extensions of your Self.

Unlimit your power for accomplishing the most good in this
incarnation!

Network vertically, call on Divine Blessing and Grace,
whenever you experience the truth of the following scripture,
and claim your divine inheritance.

*"I of myself can do nothing, it is the Father within; it is He that
doeth the works."*

The kingdom of heaven is found within.

*Seek ye first the kingdom of heaven, and all else shall be added
unto you.*

"I and the Father are One."

"All that I do, ye shall do, and more."

*If, by going within, only unrest and confusion is found,
ask for our assistance in healing wounded emotions,
limited beliefs,
and in finding the deep peace, unity, and ecstasy and joy
that keeps your heart beating.*

A sense of helplessness, for example, perhaps in longing to
contribute
service toward cleaning up environmental pollution,
could stem largely from not drawing on all of the heavenly
resources for help.

Suppose there is a dangerous brownfield, or harmful toxic waste
dump
near your house, and you wish to clean it up.

It is your divine right to accomplish this by enlisting the help of
your unity with Divine Being,
divine nature spirits and angelic
beings in the inner worlds
in addition to enlisting help of physical experts in the material
world.

**A key is to have empathy and gratitude for the existing situation
and all involved, past, present and future.**

This sets up a field of non resistance.

"Give thanks for all things, for that is my will concerning you."

"All things work for good for them that believe."

**Now ask for infinite omnipresent omnipotent omniscient healing
and perfection.**

Invoke help.

Give thanks that it is done.

**Inner guidance may give
specific instructions as to exactly what must be done,
when it should be done, and to whom it should be done.**

**It is wise to ask for the entire time continuum, the past,
present and future be healed,
that all causes concerned, in any time, dimension, or way be healed.**

**Similar to horizontal networking, sometimes it is wise to ask for
your higher
self, or any higher being that you feel close to,
to help summon the best connections for the job at hand.**

**Creation contains many
more beings than has ever been known to most people,
and many of these beings are very powerful, loving and wise.**

Some may be in physical form and some may not.

**Many of them have specific
areas of expertise.**

**Ask for help in connecting to those who would be delighted to help
and serve in any particular situation.**

"As above, so below."

**Understand the alchemy of visualizing and flowing with emotions of
desired outcomes ALREADY EXISTING IN THE NOW MOMENT.**

Flow with emotions of gratitude.

**If there is a war within your soul,
or a war in your family,
or a war in a neighboring country,
and you wish to heal it and bring peace,
how much easier and more effective it is for you to enlist the help
of seen and unseen beings.**

**Seeing through the eyes of love divine awakens the indwelling
divine essence within whatever is seen.**

**Remember the role of EMPATHY and validation to heal
and transmute.**

**The times are demanding great change and great healing,
and with proper help,
working miracles with the help of others is not only simpler,
but ecstatic and blissful to accomplish.**

"In my Father's house are many mansions."

**We are entrusted by Divine Providence with teaching how to
connect with the heavenly hosts,
whose purpose is to help and bless.**

**In the kingdoms of Divine Being,
there are as many multitudes of nonphysical beings as there are
visible beings in the physical worlds.**

As above, so below.

**Remember that humankind has been given dominion over all
creation
by divine inheritance as Children of God.**

**Dominion must be guided by Divine Wisdom,
which is the joining of Divine Will and Divine Love,
for Heaven and Earth to mirror each other.**

**The heavenly hosts embody Wisdom, Love, and Will of Divine
Consciousness.**

To those of you who are mature, and who have thoroughly learned
the
lessons of harmlessness and The Law of One, we entrust words of
power.

These words of power use the letters and the meditations of the
divine virtues that are taught in these messages.

These words of power give dominion over any being of any realm.

The divine virtues of letters of our name, Golog, are:

*G..Everything having to do with the mysteries of Divine Grace and Mercy
on all planes of existence. Emerald green, a water virtue of flowing emotions.*

*umlaut O, euCognition brought about by Love Divine, everything is
subjected to transformation of mental qualities. Deep orange. OJustice and
Harmony, ultramarine blue.*

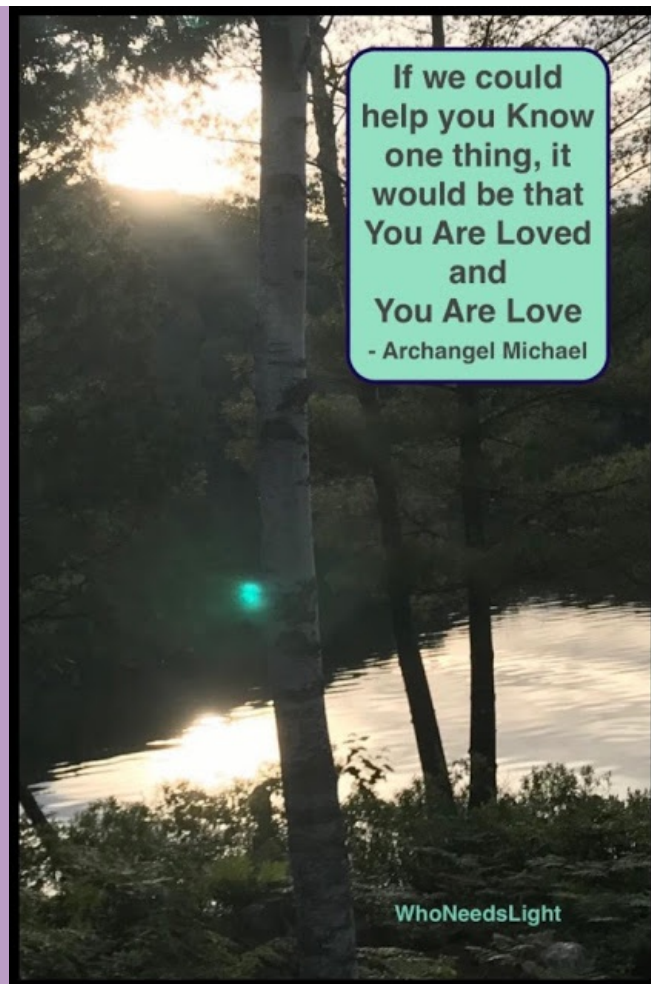

*LAll of the Divine Virtues and Qualities taken together, the splendor and
majesty of God
true spiritual morality, vitality and youth, olive green.*

*Umlaut O, eu, transmutation through cognition brought about by Divine Love
and*

*O.. Divine Justice , the appreciation and recognition of Divine Laws.
The absolute legality of harmony,
in all four levels of the energy continuum -will, mind, emotion, and form.*

*The attainment of a
high power of judgement
and the ability to comprehend spiritually any legality,
any interference by Divine Providence for the sake of justice.*

HOW TO EVOKE HELP FROM THE HEAVENLY HOSTS

[print out and keep for future reference]

To call upon the heavenly hosts, clear intent is the first requirement. This requires awareness of the existence of the heavenly hosts and strong DESIRE OR INTENTION to contact them for a purpose.

Make the actual contact inwardly in your imagination in meditation, as you would make a contact in the outer world.

The subconscious mind, which processes four hundred billion bits of information a second, does not distinguish between a happening in the outer world, or an imagined happening in the inner world of consciousness.

Within one minute of having a thought, over a hundred thousand chemical reactions occur in the body.

Identify WHO you wish to contact and then send a strong prayer in your inward consciousness to that heavenly being or beings.

For example, in the case of a brownfield or toxic waste site that you wish to restore, ask to speak to the heavenly hosts that deal with transmutation and nature.

If there are political or economical problems involved, also ask to speak to the heavenly hosts that deal with political and economical situations.

This request goes out telepathically to the unified field of consciousness ever present in both inward and outward space.

If you are psychically sensitive, you will actually feel the appropriate beings focus their attention on you within 90 seconds.

Even if you do not have this sensitivity, rest assured that they are there.

*Next comes an intellectual grasp of what your purpose or request, is.
Hold this CONCEPT, the intellectual picture of what you want, clearly in your mind.*

The more clear this is the better.

Using The Law of One and asking for the Highest Good of All Concerned guarantees success even if you are not sure exactly what to ask for.

*Then imagine and FEEL STRONGLY deep empathy for all concerned in all time and space,
and feel the wonderful feelings that are the result from the answering of this prayer.*

*In this way the sub and superconscious minds create the new reality as the flowing experience of now,
instead of forever in a future time.*

*Feel the happy feelings that you yourself feel as this prayer is imagined as already answered,
and also the healthy vibrant feelings from all those who are affected by it.*

*In the example of the cleaning up of a toxic site,
feel the joy of the restored land and ecosystem itself.*

Feel the relief and the joy of any local residents as this area is restored to beauty and health.

Finally focus on the SENSATIONS of the outcome of the answered prayer.

*In this example of the case of the brownfield mentioned above,
imagine hearing happy birds singing in the area with the wind rustling through healthy plants
and the smell of the clean air and vision of the loveliness of the restored land.*

*SEE THE ANSWER HAPPENING IN THE PRESENT NOW MOMENT.
FLOW WITH FEELINGS OF JOY AND GRATITUDE!*

*The key is to imagine at each stage, the DESIRE/INTENT, CONCEPT, FEELINGS, AND SENSATION, of this prayer so clearly
that you get to the point where you are holding all of this concentration together at one time;
the fulfilled INTENT/DESIRE, CONCEPT, FEELING, AND SENSATION all at once.*

As this happens, a volt of energy goes out from your brain, and most importantly from your heart.

The power of this volt is determined by the amount of flowing belief, enthusiasm, with flowing emotions of triumphant beauty.

This volt is a sine wave of fourfold information.

The completeness and effectiveness of this information is determined by the CLARITY AND SCOPE of the flowing feelings, and concept and sensation part of the prayer.

This sine wave of information piggybacks onto, or nests in sympathetic resonance with, powerful larger sine waves in the omnipotent, omnipresent, omniscient field of energy that is the Consciousness of Divine Will, Mind, Emotion, and Presence.

If extremely dramatic changes are asked for, the heavenly hosts desire to make sure that the implications have been carefully considered.

*In this case, it often requires making the request at least three times over a period of time,
each time specifying that whatever happens be the highest good of all concerned.*

WHENEVER A CHILD OF LIGHT REQUESTS HELP OF A PERSONAL NATURE,

**IT IS IMPORTANT TO ALSO ASK THAT THIS HELP BE GIVEN TO EVERYONE
ELSE IN CREATION
who is in a similar situation and NEEDS THIS HELP**

This is called working in the Akasha.

***When this is done,
asking for the highest good of all concerned,
both self and others,
there is no karma.***

***For example, in the illustration given above,
a Child of Light asks that not only this waste site,
but ALL toxic waste sites
be healed and corrected
according to the highest good of all concerned.***

THIS IS HOW MANIFESTATION HAPPENS.

***Once you do this a few times, it becomes easier and easier until it is second
nature.***

***Fine tune the intensity of your desire and the clarity of emotions and concept.
Practice emotions and sensing.***

Even a child can do it.

***In fact, it takes a similar form of strong emotions and clear
imagination as that used by little children at play, in trust and innocence.***

Ye must be as little children to enter the kingdom of God.

With faith all things are possible.

***This process uses the whole brain functioning of Delta, Theta, Alpha, and Beta
brainwaves.***

***This process focuses in the temple of the heart
and is the mystical fourfold key to manifestation as taught by the ancients.***

***If you are not sure WHAT to ask for as a solution to a problem,
or even
if you are not sure WHAT exactly the problem is
perhaps having only a vague feeling that something, somewhere, is not as it
should be,
then we suggest that your prayer request take the form of surrendering the
entire situation
to the Being and Beings of Divine Consciousness and flowing Cosmic Love
who understand the situation and how to heal it.***

In this case, your heart acts as the grounding rod for divine intervention.

DESIRE that you connect with these beings.

Ask.

***IMAGINE and feel that they are responding and analyzing and diagnosing
the situation and come up with the cure.***

***FEEL the wonderful
emotions of having the situation resolve itself perfectly.***

***SENSE the beautiful results on the physical world from having this prayer
answered.***

All that I do, ye shall do and more.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM,

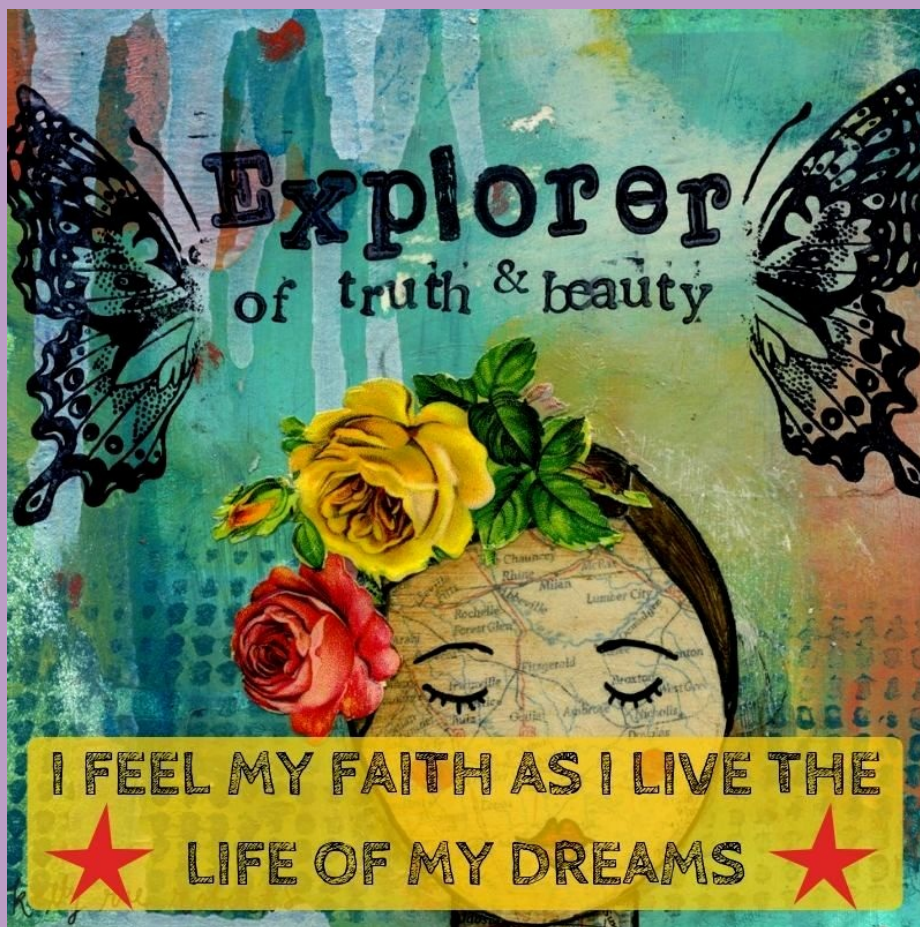

and I am one with all there is,

I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen.

I give thanks that this is done.

So be it!

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions:

Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.
This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon. Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.
These books have very important information for these studies.
The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.
Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

To understand Universal Consciousness, and immortality, it may be helpful to read the first three volumes of The Life and Teachings of the Masters of The Far East by Baird Spalding

The first three volumes are field notes taken on a scientific expedition to Nepal in the late 1800's.

The Law of One is the original law of Creation, and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

We are all one.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of who I AM, and I am one with all there is;
