The Angels of Orphans and Exiles

Also known as

**The Angels
of
*Harkinon***

Beloved,

It was spoken,

*Whatsoever you do unto the least of these,
you do unto Me.*

Through listening to inner guidance with faith and conviction,
and creating CAUSES to bring about Supreme Happiness for all on
Earth,
we inspire each Child of Light to SEE,
through Divine Love,
The Omnipresence of Divine Life
within all of creation,
even within the most hopeless of the poor and destitute.

*Each Child of Light, in this way,
becomes a divine embodiment of Compassion and Empathy.*

*We are the angels of all orphans,
of all the abandoned,
of all the exiled,
of the hated,
and of the outcasts.*

*These beloved children of God are under our special
protection.*

*According to their Karma, we help them bear their lot
more easily.*

*In cases where Divine Providence allows it, we offer
them special help.*

*We inspire the children of light to
meditate
and recognize and release for transformation,
any imperfections in self or others, for
transmutation,
into whatever divine love sees in the heart,
and transmute Earth into Heaven,
and Heaven into Earth.*

Flowing Divine Love,
the remedy,
being served by Omnipotent Divine Will Power,
gives birth to Wisdom of what to do,
and how to do it, in any situation.

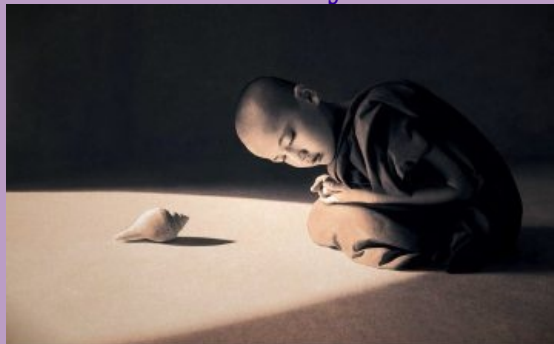

Clear inner guidance, the virtue of letter R in our name,
creates genius.

Profound divine wisdom, knowing of the oneness of all
things,
and understanding that when one is harmed, it affects all,
shines light into dark alleyways,
into hopeless orphan houses of desperation,
and into warehouses of prostitution and slavery, etc.

The light of Divine Will and Love penetrates darkness
and brings about transformation.

Faith and love encode frequencies to transform souls.

Even the worst criminal can have pricks of conscience,
healing is available for those
who have been overcome by suffering, corruption and
cruelty.

In severe destitution,
when all else has been stripped away,
often there is only Divine Presence within that sustains life.

Within the innocence of the downtrodden,
in this Divine Presence,
may be found The Heart of God,
which calls desperately for The Beloved,
for Heaven on Earth
for even the least of creatures.

*This longing for Divine Love,
the divine nostalgia,
calls for the enthronement of Divine **Love** over all else.*

Flowing emotions of Divine Love are the STRONGEST magnetic power,
it is a zip file of compressed information
that attracts the best possible outcomes into manifestation.

..

"Love conquers all."

This divine love attracts miracles into manifestation and transforms all

that is into love.

As it gives,
so it receives.

Whoever serves the destitute through faith,
inner guidance and love divine,
thereby serves Divine Being
and blesses the unified field.

*Such a person, through giving radiance that is
overpowering and brilliant,
walks in the footsteps of the masters.*

"As ye sow, so shall ye reap."

*Through the law of cause and effect, letter I,
a person learns that as one gives, so one receives.*

What goes around comes around.

*Bringing happiness to those who are the most destitute
is one of the most rewarding experiences.*

Through the divine virtue of the power of the word,
the virtue of letter H of Harkinon,
we inspire meditation of being, will, thoughts,
emotions, and sensations of divine virtues
to bring about miracles,
to bring about an enlightened world.

Enlightenment is the divine virtue of A.

Transformation of imperfections is the virtue of umlaut A, ae, of our
name.

Inner guidance is the virtue of R.

Original omnipotence is the virtue of K.

The Law of Cause and Effect is the divine virtue of letter I.

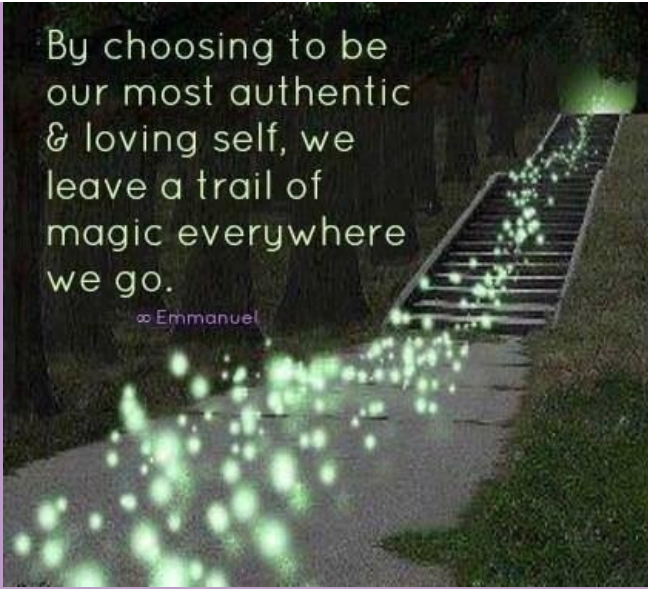

Supreme Happiness is letter N.

Cognition brought about by Love Divine is the virtue of umlaut O, eu.

Justice and harmony, success and satisfaction is the virtue of O.

The final letter of our name is again N, Supreme Happiness.

It is primarily the magnetism of DIVINE HAPPINESS AND LOVE
that holds The Web of Life,
The Unified Field of Energy,
together.

By choosing to be
our most authentic
& loving self, we
leave a trail of
magic everywhere
we go.

∞ Emmanuel

WISDOM flows divine love with powerful faith to create better conditions for all.

**Traveling along on the middle path of WISDOM,
unites the flowing heart of Divine Love
with attunement to Omnipotent Divine Will.**

**The middle path, often called the middle path of Buddha,
or the zero point in zen,
guides people to create realities in which there is exactly
enough, not too little or too much,
for each person and all creatures
to live in complete comfort, safety and joy.**

**This is a middle path of the polarity of lack and plenty,
of self and other,
of Heaven and Earth.**

**On this sustainable middle path,
there is neither over-consumption nor under-consumption,
of the necessities of life.**

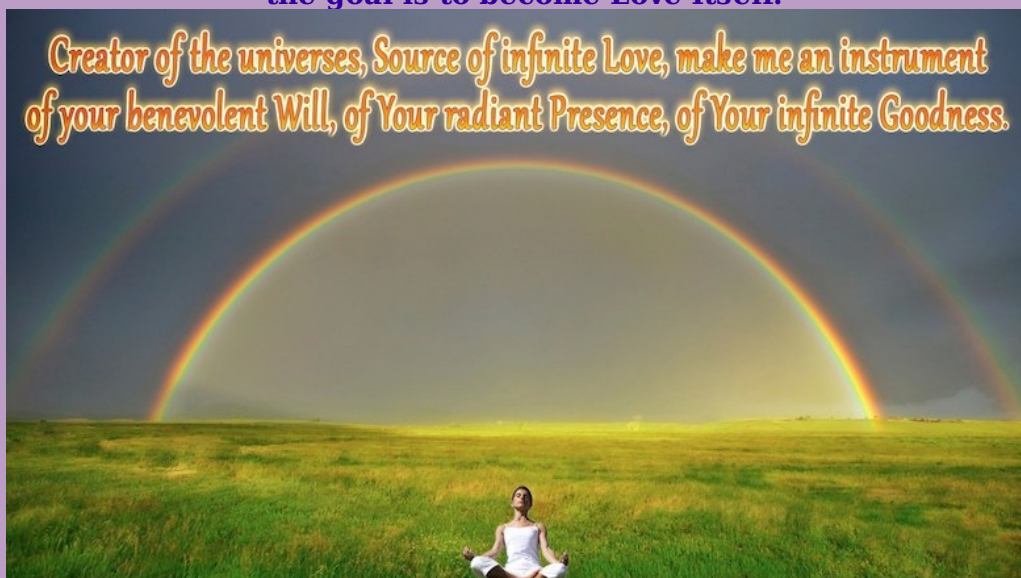

**On this middle path,
the goal is the highest good of all.**

**Divine awareness arises of courage, faith, Love and divine emotion, of
beauty and balance,
in all aspects of life,
with all beings.**

**An ancient, inspired meditation and attunement to Love
which has been practiced for centuries by the holy saints and rishis of
the East,
called the dzikr of Love,
translates to mean that
*God is Love,
Lover
and the Beloved,
all at once.***

**While doing this meditation,
the goal is to become Love Itself.**

***The nature of Love combined with faith
is to give whatever is needed willingly,
according to clear inner guidance.***

***No harm is done, either harming self helping others,
or harming others helping self.***

***In this way karma becomes dharma.
Instead of constantly learning from mistakes,
learning arises from within,
through clear inner guidance.***

***Like the in breath and the out breath,
Faith and Love gives and receives of divine life itself.***

***Whatever Faith and Love are inspired to give,
automatically returns, many times over, and receives.***

In this way a person gives and receives ever more.

When you are Faith and Love, and you have time, you give time.

When you are Faith and Love, and you have power, you give influence.

**When you are Faith and Love, and you have goods and money, you give
goods and money.**

**When you are Faith and Love, and you have knowledge, you give
instruction.**

**When you are Faith and Love, and you have skills and talents, you give
service.**

**When you are Love, and you have faith,
a person prays for miracles of enlightenment for those who have little
faith,
and little love.**

**There are millions of abandoned children,
millions of people are imprisoned.**

**There are millions destitute and exiled
into homelessness, prisons and institutions.**

**We inspire remembrance that in the divine heart of each person
is a place in which all power resides,
and in which all are connected.**

**We help the children of light enter into realms of this powerful Sacred
Heart
to visualize and flow with tangible feelings in the body of emotions of
Divine Healing
and Blessings for all.**

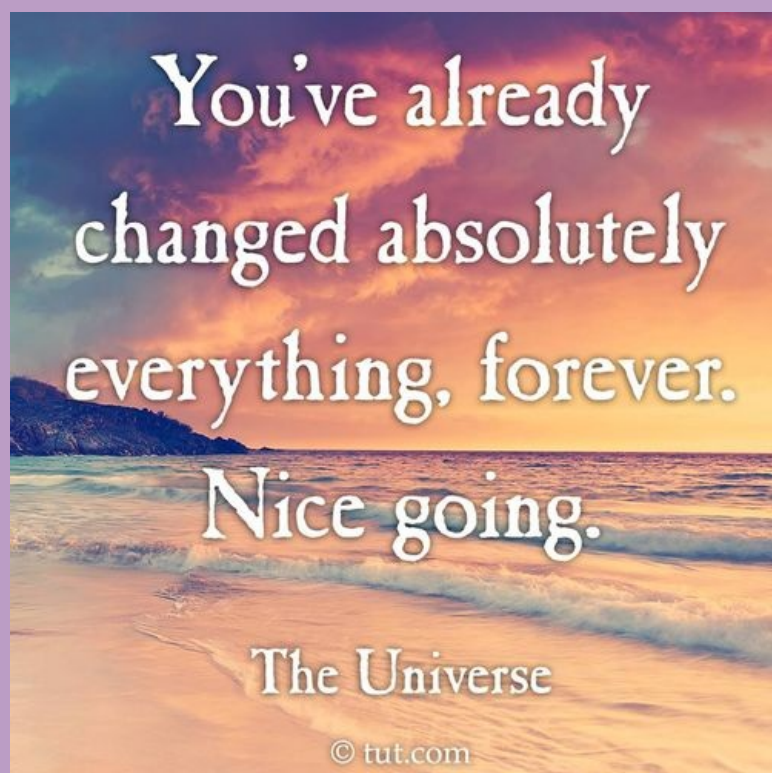

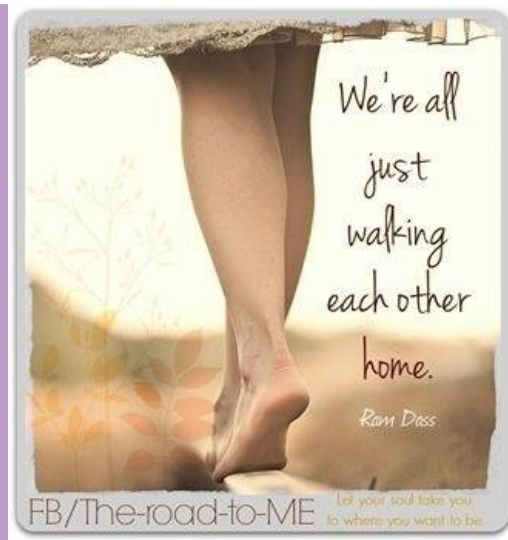

***We are the angels of all orphans,
of all the abandoned,
of all the exiled,
of the hated,
and of the outcasts.***

***These beloved children of God are under our special
protection.***

***According to their Karma, we help them bear their lot more
easily.***

***In cases where Divine Providence allows it, we offer them
special help.***

MIRACLES

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon. Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION,

ISBN 3-921338-02-6, and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

**The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.**

THE LAW OF ONE

**We are all one.
When one is harmed, all are harmed.
When one is helped, all are helped.
Therefore, in the name of who I AM, and I am one with all there is;
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .
I give thanks that this is done.**
