The Angels of Justice

Also known as

The Angels of

Hillaro

Beloved,

The body of Creation has a Divine Aware Unified Field of energy.

**The web of life is made of many beings,
but is ONE life.**

We carry out justice.

**Whether the matter is a legal one, or another,
any situation requiring a just outcome falls under our competence.**

Anything having to do with judicial matters is under our protection.

**The web of life is made of many beings,
but is ONE life.**

As above, so below.

Large or small, all beings are a part of One Divine Being.

All are enlivened by One Divine Life.

All depend on each other.

All are important.

The human body is made up of over 72 trillion individual self aware intelligent cells that operate within organs and systems.

These exist on physical, emotional, mental, and spiritual dimensions.

Even though a human body is made of almost infinite parts, it is still ONE body with ONE indwelling soul and spirit.

"Ye are made in the image and likeness of God."

Every part contributes to the whole, and every part depends on the entire ecosystem for its survival.

Likewise the body of Divine Creation is one body with many complex individual self aware intelligent parts.

These are many universes and many systems existing on physical, emotional, mental, and spiritual dimensions.

Each part depends on the whole for its survival.

The ancients thought of this body of Divine Creation as a Web of Life, because each individual part is connected to all others with strands of light, OMNIPRESENT DIVINE WILL,

**CONSCIOUSNESS
and LOVE frequencies.**

The body of Creation is a Unified Field of energies.

**Creation has ONE indwelling soul and spirit
that is often called Divine Providence,
or God,
or Divine Being, etc..**

**Everything is connected to everything else,
and when one part is harmed,
the harm travels out like ripples in a pond
and touches the entire field of energy of the whole.**

That is why justice for one is also so important to the many.

**When harmony and justice are restored to a part,
the entire web of life is blessed.**

**In Universal Consciousness,
which is The Omnipresence of Divine Intelligence everywhere,
The Highest Good and most
sacred all encompassing powers,
wisdom
and
LOVE
are available
in every circumstance,
for every being.**

**"Ask and ye shall receive."
"Knock, and it shall be opened unto you."**

**When any person,
any part of The ONE,
invokes THE LAW OF ONE,
either directly or through us,
know that through telepathic power of prayer,
the highest good
is activated
and transmutes imperfections
with Divine Intelligence
and
Beingness
in The Unified Field.**

**This activation overcomes all other potential realities
in ways that are the highest good of all concerned.**

**We help you meditate on the connection that you have to all life, so
that the good of all is felt to be the same as the good of ones own self.**

Harmony for all becomes the strongest desire of the heart.

In The Unified Field, The Web of Life, justice and harmony are one.

**The LAW OF ONE is the original law of creation and brings about
harmony with all.**

All other laws come from it.

When this original law is invoked, it overrides all lesser laws.

This Law is as follows:

[We suggest that you memorize this and use it often]

We are All One.

When one is harmed, all are harmed.

When one is helped, all are helped.

Therefore, in the name of Who I AM,

And I am one with all there is:

I ask that only The HIGHEST Good

Of ALL concerned happen.

I give thanks that this is Done.

So be it.

Police remove helmets and sit down to join people in Thailand.

When justice is called for, we rush in and declare this Law.

We teach people to declare this law.

Faith, vision and clarity of emotions determine response in The Unified Field.

Desiring The Highest Good brings perfect attunement in spirit with The omnipresent Will of Divine Being.

This brings high frequencies of understanding and wisdom awareness to the mind.

It brings the most Infinite Unconditional and all encompassing magnetic Love flowing through the heart.

It brings the greatest beauty and harmony to the physical world for all concerned.

What is done to the least in creation instantly affects ALL.

What you do to the least of these you do unto me.

**Therefore we inspire all beings to unite in will
to create The Highest Good of All Concerned equally.**

**Remember that In Heaven on Earth the lights
of great wisdom and love and beauty shine equally within All.**

*If you seek to understand justice,
then seek to understand
that all are part of The Body of the Divine,
all are branches of The Tree of Life,
all are ONE LIFE.*

If you will that justice prevail, then will that all have justice equally.

Justice and harmony are beautiful, surround all beings in beauty.

We love you.

The Angels of Hillaro.

Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings

which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her. The being and the angels share the same name.

This name is a key to their powers and influence.

Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCAION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters

are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4]. Publisher is Dieter Rüggeberg, Wuppertal/W. Germany.

These books have very important information for these studies.

The book " Initiation into Hermetics" ISBN 3-921338-01-8, is a preparatory book for the others.

Franz Bardon's last autobiographical book, "Frabato the Magician", gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

The Law of One is the original law of Creation,
and is the supreme Law over all laws in all dimensions.

THE LAW OF ONE

When one is helped, all are helped.
Therefore, in the name of who I AM, and I am one with all there is;
