**1 degree Capricorn**

## **The Angels of Creation**

**Also known as**

**The Angels  
of**

**Milon**

**Beloved,**

*Envision, and thereby create, the world you want in your deepest heart,*

*for yourself and others.*

*Claim divine authority  
and dance the sacred dream awake  
for yourself and all others.*

**The WILL FOR WISDOM of the previous constellation of  
Sagittarius  
prepared Children of Light,  
to now,  
in Capricorn,  
claim divine authority.**

**Capricorn is a cardinal sign of new beginnings on earth.**

**Use Divine Will emanating from within all creation,  
from the inner and the outer worlds.**

**As it was written:**

*"You cannot put new wine into old wineskins."*

**It is time now to create the new wineskins to hold the new wine.**

**This authority is the initiation of Capricorn.**

**Remember that the Akasha principle is that deep delta brainwave state  
that is produced each night in deep dreamless sleep.**

**It is also dominant in infancy,  
and is the state in which the physical body uses it's energies to heal  
itself each night.**

When this state of pure being,  
which is the state of silence before any thoughts,  
is experienced in a waking state through meditation,  
a person experiences sublime and natural unity with God,  
with Divine Being and with everything in creation.

It is that state that Christ referred to when he said,  
*"I and the Father are One."*

*"What you do to the least of these you do unto me."*

*"All that I do, ye shall do, and more."*

This state of oneness with everything,  
within and in the outer world,  
is called the akasha.

We are the heavenly hosts that introduce you to Divine Miracles,  
especially the Magic of the Akasha,  
and we teach you how to produce consciously, in the Akasha,  
various causes in the magical manner  
to bring about certain effects in the mental, emotional and physical  
worlds.

*"All that I do, ye shall do, and more."*

*"What you do to the least of these you do unto me."*

As soon as a child of Divine Being completely controls this kind of  
mystical practice,  
he is able to produce causes in the Akasha-principle  
long before their realization,  
even many years before their realization on Earth.

*By this, a person becomes a perfect master in the field of  
fate control  
and has his own Karma  
as well as the Karma of other people  
well in his hands.*

***Considering that the ethical development of this person  
has reached the place of oneness with God,  
they will never produce any causes which would have  
negative effects in any of the three planes.***

**Such a person is entrusted with such a great number of secrets  
which he would never have thought possible.**

**In the Sagittarian journey and maturation process,  
a person realized that he or she is indeed ONE with DIVINE BEING,  
with both Divine Will  
and flowing Divine Love,  
in every way,  
both in the inner worlds of personal awareness  
and in the outer worlds of Creation.**

***I and the Father are ONE.***

**Now, in Capricorn, in the silence,  
a person becomes acutely aware of what is going on in the world  
and desires divine authority to manifest Heaven on Earth.**

**With strong emotions of authority and compassion,  
a person is now ready to walk in the footsteps of the masters.**

**Flowing emotions are life.**

**They are compressed information,  
and magnetically attract new realities into form.**

**With strong flowing emotions of authority,  
combined with understanding of cause and effect,  
especially in the Akasha principle,  
a person attunes to the omnipotent and omnipresent splendor and  
majesty of Divine Being  
and sees through all imperfection in the world  
and understands how to activate the potential for divine perfection.**

**As this is done in the Akasha principle of unity with all,  
powerful causes are set into motion  
that are destined to bring supreme happiness and solutions to any  
problem.**

***Flowing emotions are the divine virtue of letter M of Milon.  
This virtue shines with lovely blue green light and musical notes of D,  
and sensations of coolness.***

*Desires awaken to reach out  
in compassion to all beings who long to find union with Source,  
with Divine Light.*

*A person remembers his or her own journey out of darkness and  
confusion,  
and sees how higher beings helped every step of the way.*

*The understanding of cause and effect awakens ever more clearly.*

*Then it becomes clear that by helping others,  
a person is helping ones own self.*

*This awakening is the divine virtue of Cause and Effect, the letter I.  
It shines with light opalescent light and musical notes of G. This virtue  
has sensations of weight.*

*In the process of finding union with Divine Being,  
a seeker becomes invigorated by the splendor and majesty of Divine  
Being.*

*True spiritual morality is gained.  
This letter L, shining with deep glowing translucent olive green light  
and musical notes of F. It has sensations of ease and relaxation.*

*This heightened state of vitality and oneness with all of the Divine  
Virtues enables a Child of Light to be ONE with flowing oceans of Love  
Divine.*

*Blazing forth with emotions of this divine love,  
RECOGNITION OF THE MOST SACRED DIVINE BLUEPRINTS of all  
created beings  
comes naturally and easily.*

*RECOGNITION OF THE SACRED DIVINE BLUEPRINT OF EVERY  
CREATED BEING,  
COMBINED WITH MAGNETIC ATTRACTING POWER OF FLOWING  
EMOTIONS OF DIVINE LOVE,  
AWAKENS AND ENLIVENS THESE BLUEPRINTS.*

*This is the divine virtue of COGNITION BROUGHT ABOUT BY LOVE  
DIVINE.*

*This is the letter umlaut O, eu, of Milon.  
It shines with dark orange light and musical notes of D sharp.  
It has sensations of etheric earth, or earth penetrating all.*

*The OUTCOME of this is justice and harmony, the virtue of O, shining  
with ultramarine blue light.*

*Then Supreme Happiness, beyond any words to describe, awakens.  
This is the divine virtue of letter N.  
Supreme Happiness, the seventh heaven of delight,  
shines with deep red light and the musical notes of A, and sensations of  
coolness.*

*With these virtues, an enlightened seeker follows Divine Will for the  
Highest Good of All Concerned.*

*He or she CREATES in the Akasha-principle,  
the principle of consciousness-penetrating-all,  
blessed pathways of light for self and all beings in Creation.*

*All that I do, ye shall do and more.*

*MThe sound of this letter is the sound of the divine virtue  
that influences all effects and analogies relating to the pure magnetic  
fluid, which is pure emotion, passion, and feeling.  
This is the pure astral water element.*

*The sound of the letter M is the sound of the divine virtue of EMOTION.  
This virtue is the magnetic power of the Universe that attracts energy  
into form on the material plane.*

*Everything in nature is attracted into form through the magnetic power  
of emotion.*

*Emotion is analogous to the element of water.*

*Water is the material manifestation of emotion.*

*In the material world the oscillation of letter M bestows on a  
child of God the power of controlling the fluid or emotional principle in  
the whole world,  
i.e., in the micro-as well as the macrocosm.*

*Not only is a person able to comprehend, with his/her consciousness,  
everything fluid or emotional in its original principle,  
but he/she is also made absolute master of it.*

*This faculty, when acquired by meditating on this oscillation,  
also makes him/her master of magnetism, emotion, and everything that  
is*

*connected with it.*

*Thus, for instance, he/she may control the laws of gravitation, and many  
other things."*

*The color of this virtue is the most beautiful blue-green imaginable.*

*The musical note is D.*

*The element is water so it has the sensation of coolness.*

*The abdomen is formed from this virtue.*

*IThe sound of this letter is the virtue of cause and effect, which is the  
karma law.*

*On the mental level, this is analogous to memory, remembrance and  
conscience.*

*In the feeling body, this corresponds to the astral/physical matrix,  
which is the connection between emotion and physical form, with all of  
its functions.*

*By meditating on the law of cause and effect,*

*all laws of analogies between the micro- and the macrocosm are  
understood and mastered.*

*Everything that has shape, measure, number and weight has been created by the help of this letter oscillation.  
If a child of God can master this meditation, he/she will be able to evoke the greatest miracles in the material world by using the respective analogies to shape, measure, number and weight.*

*As one can see, shape, measure, number and weight are the chief components of the material world,  
and by getting this letter oscillation under control,  
a person becomes their absolute master.*

*It stands to reason that he/she will also be able to become a perfect metaphysician,  
too and, furthermore, to comprehend all laws presently still unknown to our physical world and to apply them in all fields.*

*The color of this virtue is light opal, the musical note is G, the element is earth so it has the sensation of weight, and the left kidney is created by this oscillation.*

*LThe sound of this letter is the sound of the Divine Virtues all taken together.*

*This letter represents the highest divine virtues that may be described by words,  
irrespective of whatever sort they may be.  
This letter oscillation is used to comprehend the Divine Majesty and the greatness of God in the form of the purest virtues.*

*From this virtue comes the faculty of comprehending true morality as seen from the highest point of view.  
This will lead you to the borders of saintliness.*

*On the feeling level true equilibrium of character occurs and mastery of flooding the emotions with the highest light is attained.*

*On the physical level you gain perfect health, beauty and harmony and you become absolute master of your own vitality.*

*It is to be imagined as the color of olive green. The musical note is F, the element is air, so it has the sensation of ease. The spleen is formed from this virtue.*

*umlaut O, eu The sound of this letter is the divine virtue that*

*concerns everything analogous to enlivening matter in all levels of will, thought, emotion, and form.*

*umlaut O, eu, when toned to the musical note of D-sharp, is COGNITION brought about by Love Divine. It has to do with enlivening the material plane.  
It is the miracle worker of all virtues.*

*Akasha:In the principle of consciousness penetrating all, the umlaut O oscillation evokes the most profound cognition which can only be brought about by love divine.*

*By the help of this a person gets to know all the possibilities of transformation of the spirit, all the systems and ways serving this end, and all knowledge concerning transformation in all other fields. He/she is informed about everything that, deriving from the act of creation, had to pass through all the mode of transformation to be reunited.*

*A person must attain all the faculties that are offered by this profound cognition made possible by Love Divine, in the principle of consciousness-penetrating-all, and must make use of all possibilities, in order to get convinced that they cannot be described by words, by must be experienced, lived through.*

*I have mentioned the letters umlaut A and umlaut O as the last ones in this series of exercises, because by the help of their virtues one is able to comprehend, from the principle of consciousness-penetrating-all, the crown of all wisdom in the micro- and macrocosms, from the act of creation to the present state of evolution, and even to the final development.*

*Mental:Evoked in the intellect, the virtue of profound cognition brought about by love divine gives the understanding of the transformation of ideas, virtues, etc. by the quabbalistically pronounced word, which is a very great and comprehensive field.*

*Astral/ emotional level:In the emotions, the virtue of profound cognition brought about by love divine develops the faculty of perfect astral projection and the mastery of all occult and magical phenomena that have reference to transformation, so that a person may, for instance, assume any desired vibration in the emotional body without being recognized by other beings and with only Divine Providence seeing through him/her. Apart from this, a person is able to transform any emotional oscillation into the oscillation he wants and to do the same with any element.*

*Material:When mastered in the physical body, the profound cognition brought about by love divine leads to perfect knowledge of quabbalistic alchemy in the material world.*

*A person is taught the true preparation and charging of the philosophers stone in the physical sense. He/she can influence, at will, any oscillationatomic, oscillation, electronic oscillation- by quabbalah, and he/she is able to transform it into the oscillation desired by him/her.*

*Therefore he/she perfectly masters the laws of transmutation and is able to transform any metal into gold, any stone into a precious stone,*

*etc. if desired.*

*By the help of this virtue a person is furnished with many other faculties of which he/she cannot even dream now and which non-initiates would regard as absolutely impossible.*

*Umlaut O is dark orange, has the musical note of D-sharp, is the element of akashic-earth which has the sensation of weight penetrating everything.*

*The ovaries and testicles are formed from this virtue.*

*Ojustice and harmony, success and satisfaction.  
Ultramarine blue, earth element, the windpipe is formed from this virtue.*

*N This is the divine virtue of supreme happiness beyond words to describe.*

*In the akasha principle, which is the principle of consciousness-penetrating-all,  
the highest state of happiness may be evoked by the meditation and mastery of the divine virtue represented by the sound of this letter.*

*This quality of happiness, when mastered, gives you the ability of knowing the state of mental maturity of other people.*

*You have the faculty of enlightening anyone who you deem worthy, on account of his state of maturity, by transferring the letter oscillation on him so that the person concerned is able to solve any problem corresponding to his grade of development without difficulty.*

*In the feelings, this letter evokes the drive for self-preservation. A person who masters this letter in the emotional world has complete control over any influence or being, and cannot be harmed.*

*In the material world, everything that is related to the gait and movement of human beings and animals is influenced by the qualities represented by this letter.*

*Lameness can be cured. In the material world, in all planes and worlds of the created cosmos, this letter oscillation is identical to cohesion, or power of coherence and therefore has a certain connection to specific gravity and attractive power of everything material.*

*It is similar to the letter M regarding gravitation and attractive power of matter.*

*Visualize N as dark red with a sense of coolness filling all of space. Divine Happiness vibrates to the musical note A and is used to form and heal the liver.*

## MIRACLES

### Footnotes

The names and meaning of angel groups come from Quaballah, which is a very ancient set of teachings which together form a common precursor, or root, of three of the world's religions: Judaism, Islam, and Christianity.

Each degree of the zodiac is ruled by a high being of the heavenly host in the zone girdling the earth, and the angels who work with him or her.

The being and the angels share the same name.  
This name is a key to their powers and influence.  
Names, phrases, and sections, in the angel messages are quoted or paraphrased from the books of Franz Bardon.

Information of the heavenly hosts of the zone girdling the earth is referenced from THE PRACTICE OF MAGICAL EVOCATION, ISBN 3-921338-02-6,

and Information of the divine virtues and the letters are referenced from THE KEY TO THE TRUE QUABALLAH, ISBN 3-921338-12-4].

Publisher is Dieter Rüggeberg, Wuppertal/W. Germany. These books have very important information for these studies.

The book " Initiation into Hermetics"  
ISBN 3-921338-01-8, is a preparatory book for the others.  
Franz Bardon's last autobiographical book, "Frabato the Magician",

gives historical background and was compiled by his German publisher from notes written by Franz Bardon.

***We are all one  
When one is harmed, all are harmed.  
When one is helped, all are helped.  
Therefore, in the name of who I AM, and I am one with all there is;  
I ask that ONLY THE HIGHEST GOOD OF ALL CONCERNED happen .  
I give thanks that this is done.
